

krokodil

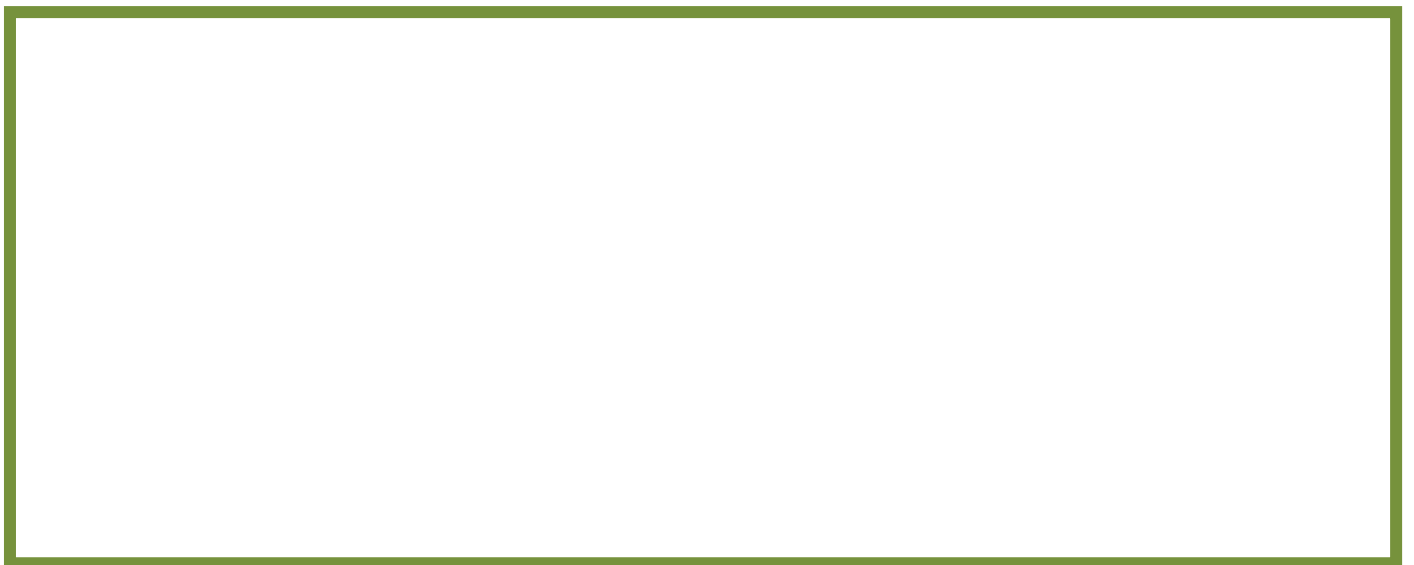

Naam:

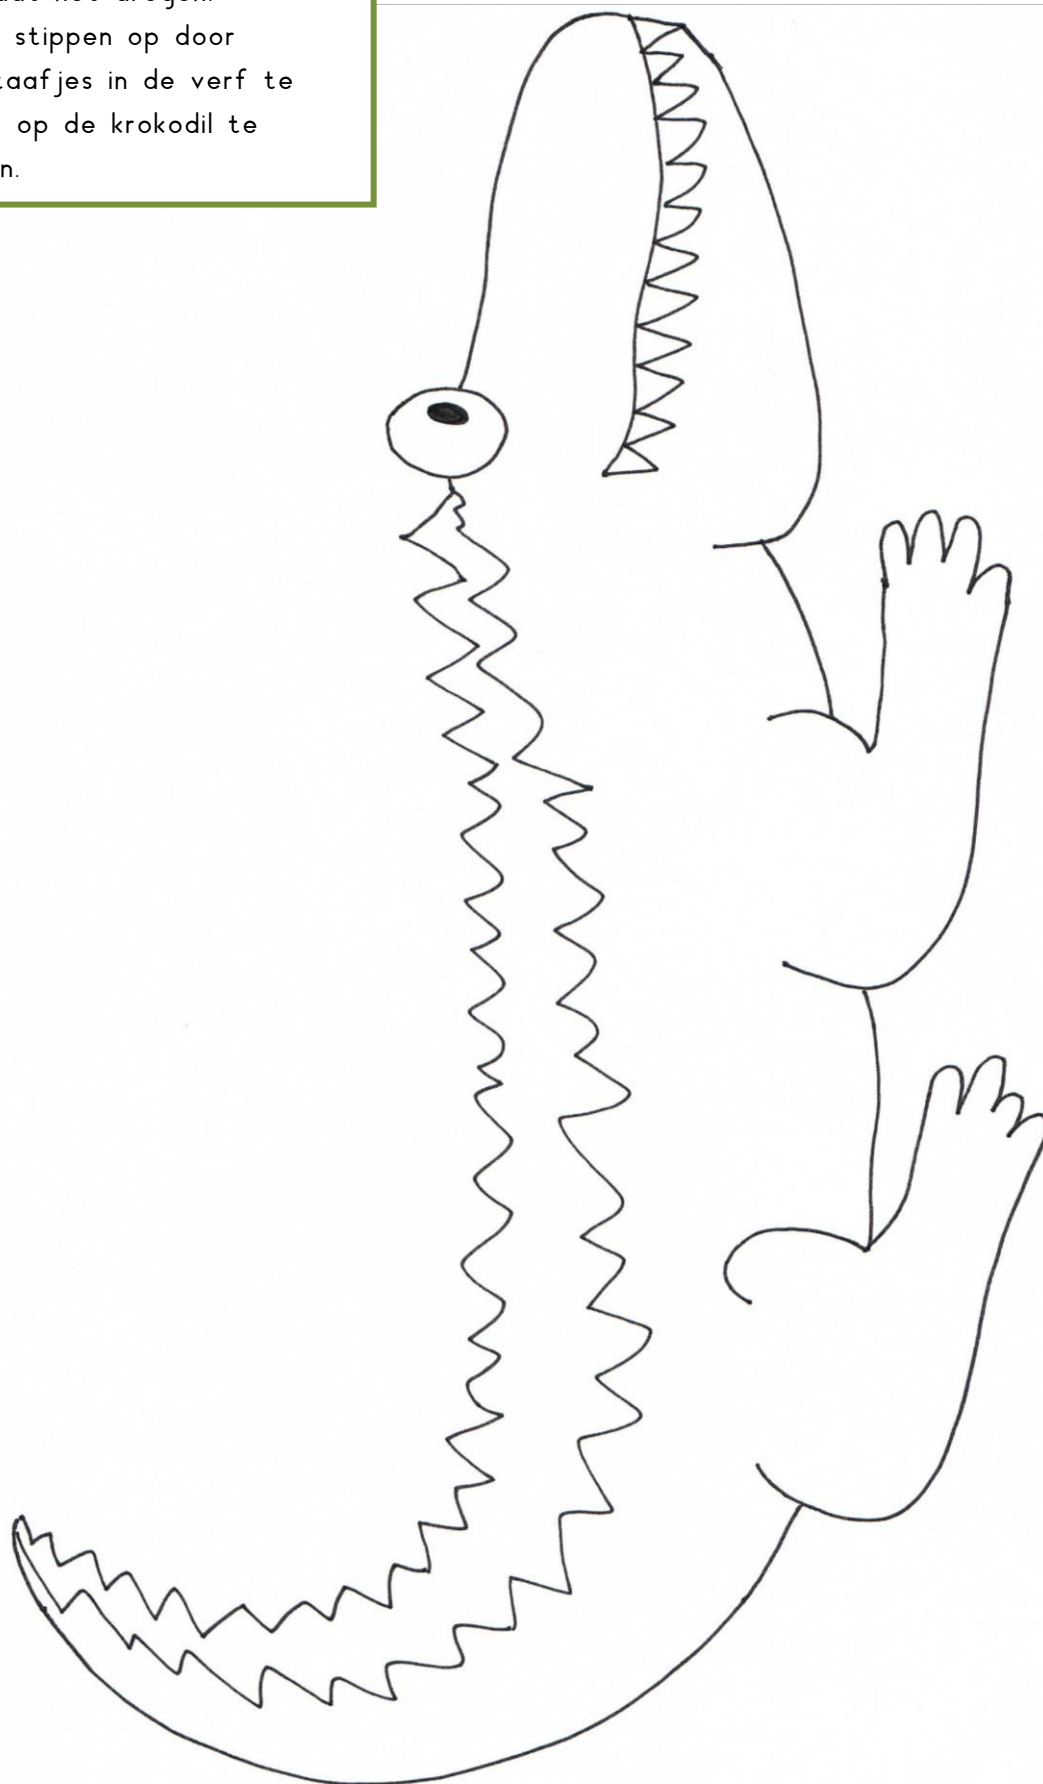

Schrijf de letter k
een paar keer met
een andere kleur.
Teken daarna een
krokodil in het vak.

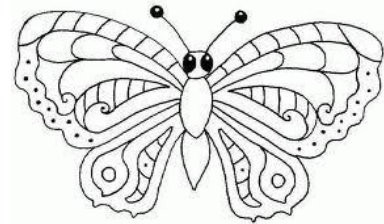

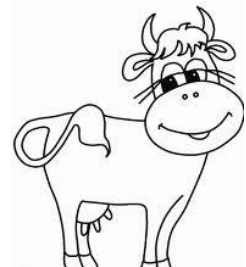

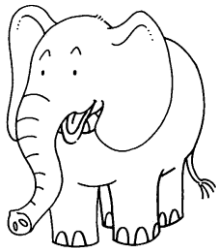

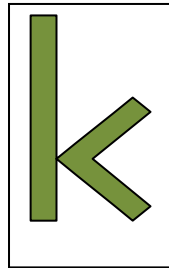

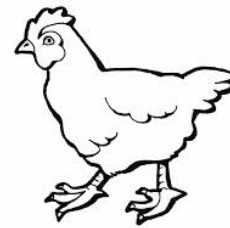

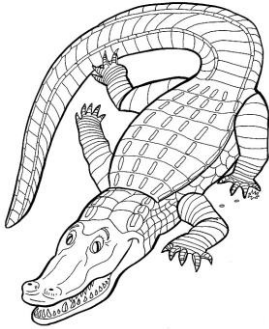

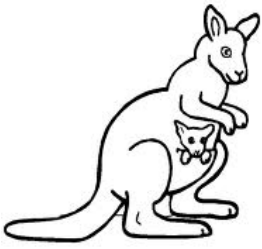

krokodil

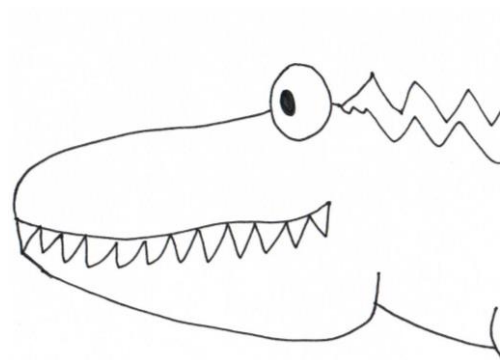

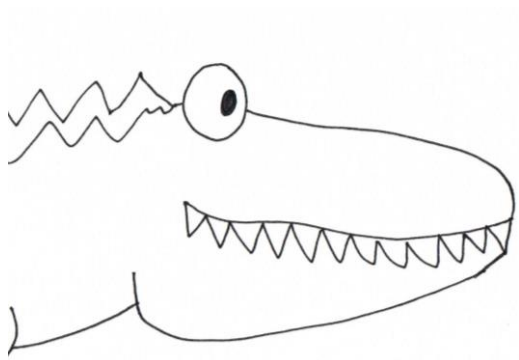

Kleur de krokodil met ecoline groen. Laat het drogen. Maak er stippen op door wattenstaafjes in de verf te dopen en op de krokodil te stempelen.

Welk dier begint met de k? Kleur deze dieren.

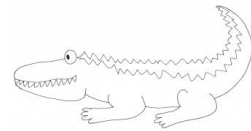

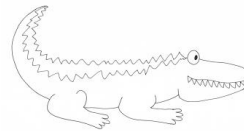

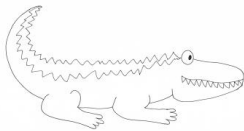

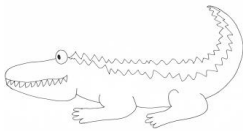

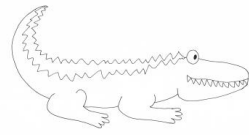

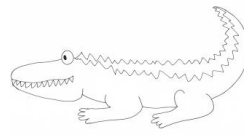

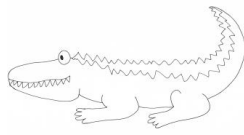

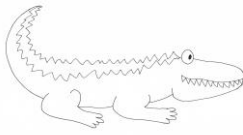

2 krrr...okodillen! Samen maken ze de dieren bang. Teken deze dieren erbij.

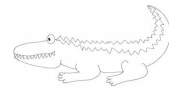

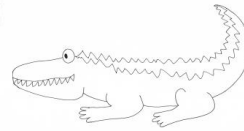

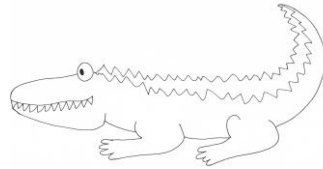

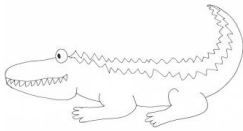

2

krokodillen

Waar kijken de krokodillen elkaar aan? Kleur deze paren.

Zoek dezelfde krokodil

Teken hier krokodil en zijn vriendje
